FOG 1500 FT™

ROBE

The FOG 1500 FT fogger is the most advanced machine available for the professional performance market. Its streamlined, stylishly contoured body features a 100% pure aluminium heater, a heavy-duty and silent running pump and proprietary circuit design. This highly efficient and powerful heater produces a clean, dry, highly efficient fog output. A customized rubber pump mounting helps the pump to achieve virtual silence. The bespoke designed circuitry is 100% resistant to external power interference and so guarantees complete thermal control stability. This combination of great features and advanced design make the FOG 1500 FT an obvious choice for pro rental companies and their client base of theatres, TV studios and major staged events.
